Jeffrey Korzenik is the Economist and Director of Portfolio Management for Fifth Third Bank in Chicago. A 25-year industry veteran, Jeff's background includes research and management roles at some of the country's largest investment firms. He has been quoted in major industry publications including *The Chicago Tribune*, *Boston Business Journal*, *The Boston Globe*, *Business Week*, and the *Wall Street Journal*. Jeff has been interviewed on television and radio segments including, *Fox Business News* and Bloomberg Television's "Money and Politics" segment. As a result of his expertise in and knowledge of economic drivers and financial markets, Jeff has testified on Capitol Hill as an expert witness on various financial and economic issues.

Last year Jeff described our current economic condition as a historic "Panic", observing that it might take several years for the economy to recover, but it was unlikely to suffer a "double-dip". Join us for lunch on Wednesday, January 18, 2012, as he reveals his forecast for the New Year ahead. Questions will be welcome . . . with current economic conditions, you don't want to miss this exciting program!
